LIST

ALPINE SUNSET

A choice bright variegata.

The standard deep "Tansy Yellow," and of enduring substance.

The semi-flar round Falls are reminders of setting sun glow. Low branching, 36-inch stalk. Fine growing habits.

\$1.50

ALZA HOLA

A Spanish salute calling attention.

The colors of this iris may be visualized at a time when sun, unveiled sky and light cloud in relative view.

That ivory cloud with the blue of the sky filtering through and with the sun's delicate tracing.

\$2.00

BEAUTIFUL GALATEA

A self known as "Bridal Rose" Blushes.

The style together with the light pink shading give an iris of distinction. Beard rich orange. Sturdy 36-inch stalk.

\$2.25

BLUSHING YOUTH

Deep Petunia pink self.

This is a rapid growing and free blooming iris; enduring substance and a finished bloom that will not be called a duplicate.

\$1.50

BRIGHT MELODY

An attractive break in *self* color luscious ripe Concord grapes sheen and chestnut color haft.

That desired closed shape at the apex and a completed well balanced bloom.

Enduring substance, unusual deep texture, stalk branching at center, the predominant color shading off to a rich brown with the beard.

\$2.50

CAPTAIN ROYAL

Noble blue self.

These iris blooms' shape are much of El Mohr bold rigid form. The blue is that delightful moon beam skies.

\$3.50

DECORATOR

A unique red *self* done in "Pipe Stone" "Peace Pipe" tones. The wide branches claim one-half of the 40-inch sturdy stalk, suitable for adding height to spacious settings and the shadings are of the neutral harmony with other shades and blends.

\$1.50

DREAMLAND

A red *self*, classified by "Dictionary colors" as Deep Hollyhock.

One and only uniform color and texture throughout the blooms.

Distinctive waving edge of the modified flar rounded Falls, bright prominent lemon color beard for charm, weather enduring quality, no staining nor fading during the life of blooms. The representative stalks are strong, well branching, 38 inches in height, supporting three open blooms at once, equally spaced and independent positions. The foriage is of sufficient height and desirable quality encircling the stalks for a picturesque setting. \$5.00

ELIGIBLE

The new diversion of red *self*.

These unusually shaped blooms are of the admired autumn "Sumac Red," enriched texture overcast with soft walnut brown finish. Heavy beard of the texture shading, enduring quality substance. The evening effect at sunset produces quite a different inclusion coloring of intense blood red. \$15.00

HALYCON DAYS

A signal red *self*.

This iris is near to the medium tone Iowa wild rose, on the large supporting 40-inch stalk. The shape of the blooms are interesting with an inflated appearance. Fragrant. \$2.00

IOWA GLORY

A rich maroon *self* with intense heavy texture, rich prominent orange beard; a good propagator.

\$1.00

NISHNABOTNA

A large reddish violet iris, one that has ventured the years and found reliable. \$.50

SIOUX CITY

An even *self*.

Imitation of the "Heliotrope" color in its varied shades when in the different light. A very broad bloom with cupped standards and flar falls. A striking different type of iris bloom. Very fragrant as cut flowers. \$.50

SIOUX CITY SUE

A striking *bicolor*.

The flower is wide and full petaled. The color is of deep rich tapestry with the intense blue blaze in the center of the falls. It is really an appropriate choice Iris to be named this famous distinction. \$2.50

STELLA VIOLA

A rich vivid violet *self*.

The beauty of this iris is a clear richer violet El Captain, strong rigid 38-in. branching stalk with foliage in keeping to complete a choice iris. \$2.00
